Deck Finishing: What to expect

Company Conduct

CenterLine Painting

- Clean Workers, Clean jobsite.
- Respectful of personal property and privacy
- Jobsite left in a reasonably “safe for children” state at the end of every workday.
- Clear communication

CenterLine

Painting

Integrity

- We schedule according to the weather and if its compatible with staining.
- We ensure the wood is dry enough for staining. This is at least 2 days after pressure washing.
- Our prep and finishing work are done to company and your standards.
- We will communicate and listen.

The image is a composite of two photographs. The left photograph shows a wooden deck with white railings and a set of wooden steps leading up to a house. The house has grey siding and white trim. A white planter box sits on the deck. The right photograph is a close-up of a white gate with a decorative cutout design featuring a forest scene with trees and deer. The gate is set on a wooden deck with white railings. The background shows a house with grey siding and a window.
